Upper Order Limits (Order slimming) now turned off

As communicated on Friday the 15th of October, upper order limits (Order Slimming) was implemented across the weekend in response to panic buying in parts of Tasmania due to the Southern Tasmanian lockdown.

As a result of Premier Gutwein's announcement this morning and volumes beginning to restore to more normal levels, Order slimming has now been turned off.

From tomorrow, deliveries will be supplied as per orders received.

We ask that Stores continue to place fair and reasonable order quantities and not place out of sequence or additional orders where possible.

Please continue to monitor your regular TIR communications for ongoing information or contact your TIR Area Manager.

Take care and stay safe.

Drew Freeman
GENERAL MANAGER - SIW
