## Am I eligible to enter?

\$30 is the minimum amount a customer must spend in a single transaction to be eligible to enter including at least 1 item from a participating brand. This \$30 must be made up of grocery & Fresh Food products.

- Tobacco, Fuel, Gift Cards & Liquor purchases cannot be used to reach the \$30 total

IGA staff, their families, and affiliates of participating suppliers & brands are ineligible to enter the competition.

## How many times can I enter?

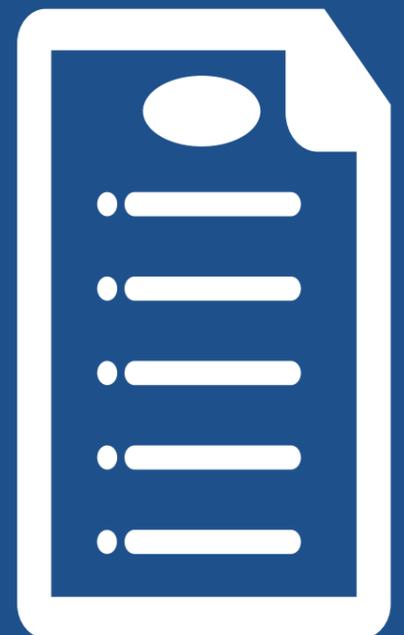

For each receipt where you spend \$30 or more, you may enter once for each different participating brand purchased on your receipt.

Each entry is limited to the different individual participating brands and not multiple products from the same participating brand.

For example, should you spend over \$30 and purchase multiple products from 1 participating brand you will be eligible for 1 entry. For products purchased from different participating brands you will be eligible for as many entries equal to the number of unique participating brands, e.g. 1 Cripps product, 1 Coke product, and 1 Smiths product purchased equals 3 entries; 2 Cripps products, and 1 Smiths product purchased equals 2 entries.
