COVID-19 Precautions

At IGA, the safety of our customers and our employees is our top priority. Hygiene, cleaning and sanitising procedures are in place and following advice from our State and National Health Authorities we are asking all customers and employees to be extra vigilant to limit any exposure to COVID-19.

Please take the following precautions while in our store:

- o Try and maintain at least 1 to 1.5m distance from others in public areas
- o Stay at home if you are feeling unwell.
- o Try not to touch your eyes, nose or mouth.
- o Cover your nose and mouth with a tissue when you cough or sneeze.
- o Please use bins provided around our store for used tissues.
- o If you don't have a tissue, cough or sneeze into your upper sleeve or elbow.
- o Please respect our staff and other customers as we all do our part to protect each other.
- o Abuse or aggressive behaviour towards our staff, due to product purchasing limits, will not be tolerated and will be reported to police.
