

# IGA IN-STORE RADIO

**Stingray are in-store music and marketing providers to a broad spectrum of businesses including IGA stores.**

## **MUSIC**

Entertain your customers and staff with an IGA curated music channel. A top of the hour news service will be available.

## **MESSAGING + NEWS**

Run weekly product & price ads with corporate branding & marketing initiatives. Includes professional top of the hour news bulletin.

## **EQUIPMENT**

Set and forget. Simply plug into your existing amplifier & speakers. If you would like new hardware we can help.

**“The Stingray in-store music service is great. It is easy to use, well supported and ‘set and forget’. We love the choice of music and even run our own messages.”**

**Stuart Bain**

Operations Manager
