Ordering Options & Information

Tasmanian Independent Retailers compile bulk orders of uniforms every Thursday, this is so we do not incur extra charging with freight which will be applied to single items.

The attached order sheet must have been filled in and emailed to us with all detail on page one and your order must be shown on the separate sheets/ we prefer that this is completed directly onto the excel spread sheet and not handwritten.

Freight: Minimum order amount applies that is why TIR Places the order on your behalf. The minimum order must be over \$250 + Gst, so we can achieve the FIS freight Status on each order, or we will be charged standard freight charge on orders under that amount.

Because this is an item of personal nature there are Strictly No Returns or Exchanges of any garment, and the supplier has the same policy Australia wide.

Sizing Chart will also be included with the Catalogue and Order sheet for ease of choosing but be aware | Measurements are approximate and to be used as a guide only.
