Dear Valued Customer,

### **UPDATE ON DARE AVAILABILITY**

Further to our last communication, we're writing to provide an update on Dare.

Due to shortages in our supply chain following the recent Victorian recall, we are currently experiencing low stock availability of Dare products in your area.

**Unfortunately, we expect all 750ml Dare products to remain out of stock until Friday, 21 October.**

Until these products return, you may also experience intermittent shortages of our 500ml Dare, 500ml Farmers Union and 750ml Farmers Union ranges due to increased customer demand.

At this stage, we expect our Farmers Union range to have the greatest availability. We recommend ordering these products in lieu of Dare, and we'll do our best to deliver to you in full wherever possible.

When our 750ml Dare products return to shelves, please note that you may continue to experience some shortages across the range as we work hard to rebuild stock levels. We apologise for any inconvenience this may cause and thank you sincerely for your ongoing patience and support.

As communicated last week, we would like to reiterate that the above products supplied out of our Tasmanian Lenah Valley site have not been recalled and these out of stocks are due to supply chain shortages.

Should you have any questions or require further information, please call our Customer Sales & Service Centre on 1800 000 570.

Yours Sincerely,
