Dear Valued Customer,

### RE – Fresh Fodder Taramosalata products sold in Tasmania.

Fresh Fodder has recently been made aware of a **Tasmania only restriction** on the import of cod roe and products containing cod roe into the State. We have explored the matter fully with the Tasmanian authorities.

As a result of our findings, we regret to advise that Fresh Fodder has decided to suspend the sale of all products containing cod roe into Tasmania until further notice. The products affected include all of the below, all pack configurations.

Fresh Fodder Taramosalata Original

Fresh Fodder Smokey Taramosalata

Fresh Fodder White Taramosalata

Fresh Fodder will continue to make our non-cod roe containing dips available to supply to Tasmania in support of state guidelines.

Please contact us if you have any further questions.

Yours Sincerely

Sally Francis

QA Officer
