Seeds for Award Winning Gardens

tasmanian
independent
retailers

Excellent modern strains, high-performance F1 hybrids and unique varieties developed & curated in partnership with the experts at Royal Horticultural Society (RHS)

The RHS Award of Garden Merit is a mark of quality, awarded to garden plants with excellent garden performance.

Each award is given only after a trial at an RHS garden and judged by a team of experts.

The RHS Plants for Pollinators mark is awarded to those plants judged to be the best sources of food for pollinating insects, using the experience of RHS entomologists, gardeners & bee-keepers.
