

A FLAVOUR FOR EVERY MEMORY!®

Scott Bros. CANDY®

About Scott Bros. CANDY®

Scott Bros. CANDY® has a great range of vintage boiled sweets or rock candy to choose from - a flavour for every memory®! We have so many nostalgic flavours and new flavourites (pun intended) will be released throughout the year!

All our retro-flavoured lollies are attractively packaged in glass jars, which gives them a great shelf life and each flavour has its own unique coloured label and what's more they are naturally **gluten-free** by ingredient.
