About Scott Bros. CANDY®

Scott Bros. CANDY® has a great range of vintage boiled sweets or rock candy to choose from - a flavour for every memory®! Currently we have 22 nostalgic flavours and in 2024 we will introduce more flavourites (pun intended)!

We are an Aussie family-owned business, and we want you to enjoy the flavours of yesterday and give you new moments to remember.

All our retro-flavoured lollies are attractively packaged in glass jars, which gives them a great shelf life and each flavour has its own unique coloured label and what's more they are naturally **gluten-free** by ingredient.
