

Scott Bros. CANDY®

ABOUT Scott Bros. CANDY®

Back in the 70's there were two ratbag redhead teenage brothers. These two brothers started making hard boiled lollies in their mother's kitchen, selling it to their school mates. And so began their lolly-making journey!

Today **Scott Bros. CANDY®** is family run in regional Australia and is Aussie-Made & Owned, handcrafting vintage flavours you know and love on 1940's retro-fitted equipment.

As well as that our 21 retro flavoured lollies are certified **AUSTRALIAN MADE** and attractively packaged in glass jars, each flavour with its own unique label and what's more they are gluten-free! 🌾
