

atmosfire Dry Wiper

Cleans without using any chemicals

- Non-scratch
- No need to rinse during cleaning
- Ergonomically shaped
- Made in Germany

The Atmosfire Dry Wiper cleans without using any chemicals, rinsing or scratching the glass.

As the active side is less abrasive than the fireplace glass, scratches during the cleaning of the window are avoided and, with the ergonomically shaped holding side, you will have no problems getting into the corners.

Crystal Clear Fireplace Glass Cleaner

Restore the crystal-clear look

- Removes Creosote and Tar
- Helps Reduce Build-up
- Ideal for Glass and Ceramic

Smoke, tar and creosote accumulates on wood heater glass. This can be stubborn to remove. Use Fireplace Glass Cleaner to restore the crystal-clear look of your wood heater windows and doors. It makes light work of stubborn tar, creosote, and soot that accumulates on wood heater glass without scratching the glass. Use regularly to help reduce build-up and maintain a crystal clear look.

Ideal for:

Wood heater windows and doors
Stoves with glass
windows Porcelain/Ceramic Tiles

Firewise Crystal Clear Fireplace Glass Cleaner 200mL: Item # 665643

New Coat High Temp Paint

Black satin finish

Prevents rust and Heat resistant to 500°C

- Perfect for heat-exposed metal that's rusting or needing a new coat
- Restores that brand new, satin black finish to stoves, flues, and BBQs
- No primer needed
- Easy application
- Coverage: 13-18m² per L
- Certified Australian made and owned

New Coat High Temp Paint is a self-priming, silicone-based, low sheen, heat resistant paint which withstands continuous temperatures up to 350°C (and up to 500°C for short time periods). It may be painted directly onto cast iron, steel, and stainless steel. Suitable for pot-belly stoves, heaters, ovens, flues, barbecues and exhaust manifolds.

Soot-Loose Chimney & Flue Cleaner

Australia's #1 Chimney and flue Cleaner

- Trusted for over 35 years
- Simply throw the sachet on fire
- Non-corrosive, non-hazardous and non-flammable
- Reduces carbon emissions
- Organic based solvent
- Independently tested and proven to work*

Over time soot, tar and creosote build up on the inside of your chimney and flue, which can cause blockages, dangerous chimney fires and smoke and fumes in your room.

Soot-Loose will make the fire burn cleaner, prevent the build-up of tar, creosote and soot, increase heater efficiency, reduce smoke emissions and prevent dangerous chimney fires.
