ALL-IN-ONE GROW KITS

Growing flowers from seed is a very rewarding experience giving gardeners 100% control from the earliest stages of growth to blooms. This all-in-one kit comes with everything gardeners need to start growing their own flowers from seed.

At DT Brown, our heritage of quality gardening at best value prices ensures gardeners get a great result from our products every time.

These kits have been hand picked from the DT Brown flower range and include 2 x biodegradable pots, 1 x soil pellet, seeds and growing instructions.

Varieties include Edible Flowers, Bouquet Flowers and Sunflowers
