White Milk – Made by Plants

Introducing The Worlds First Cow Milk Experience Made From Plants, Using Science And Patented Artificial Intelligence.

From the Unicorn Company backed by Amazons Jeff Bezos, Lewis Hamilton and Roger Federer.

- ✓ NotMilk is allergen free (no almonds, no soy) and gluten free (no oats).
- ✓ Naturally its Lactose Free, Cholesterol Free & Low in Sugar.
- ✓ NotMilk has all the benefits of any other plant-based milk with no allergens.
- ✓ But you can also use NotMilk over your breakfast cereal, mash potato and Nonas famous Lasagna.

NotMilk Sips, Slurps, Tastes & Pours just like Milk,
But Made from Plants.

That's Why We Say Its Milk, But Not
