HOTPLATE RESTORER

Restores cast iron hotplates lustrous black finish

- Restores Black Finish
- Prevents Rust, Flaking and Pitting
- Built-in Applicator
- Packaged in a 100% recycled plastic bottle.

Our Magic Hotplate Restorer Australian Made & Owned is Australia's original, formulated in 1979. Still a favourite today, it restores and protects solid cast iron hotplates from rust and flaking. Many household cleaners can damage cast iron hot plates, causing them to rust and lose their black lustre.
