

Market Update

Bananas are in their winter grey condition. Due to the colder weather in North Queensland Bananas can have a grey tinge to the skin. Fruit is unaffected and is still eating well. Supply volume into the markets has tightened creating strong pricing levels.

Honey Murcott Mandarins have a rich, almost honey-sweet flavour and is deliciously juicy. The large-sized fruit is relatively easy to peel. Whilst they do have seeds, their wonderful flavour is worth it!

JL King Simply Tasty 400g Asian Fav & Pasta Fav Meals will be advertised on special from 28/8. Buy period begins 21/8. Sell price will be \$7.49.
