

Betta Milk and Meander Valley Dairy have a new home

Dear Valued Customer,

BETTA MILK & MEANDER VALLEY DAIRY HAVE A NEW HOME – BEGA GROUP

Today, we're excited to announce that Bega Group has completed its acquisition of the Betta Milk and Meander Valley Dairy (MVD) brands from TasFoods Limited. The acquisition also includes a licence to use the Pyengana branded milk.

About Bega Group

Bega Group is a proud Australian business, producing quality dairy since 1899, with its very own Tasmanian manufacturing site in Lenah Valley in operation since the early 1900s.

We're honoured to carry on and continue the Betta Milk, Meander Valley Dairy and Pyengana milk names – household brands well-loved in Tasmanian homes for over 65 years – from today and for many years to come.

What do I need to know?

We'll be in touch as we work through our transition plans – the only change that you need to be aware of at this stage is detailed below.

I currently order Betta Milk, MVD and Pyengana milk products:

- There are some changes in the way invoices are paid. Refer to the "What's changing with payments?" section below for more details.
- There is no change in the way you order or the way you receive deliveries.
- You will continue to receive separate invoices from Betta Milk and MVD.

I currently order both Betta Milk, MVD and Pyengana milk products and Bega products:

- There are some changes in the way invoices are paid. Refer to the "What's changing with payments?" section below for more details.
- There is no change in the way you order or the way you receive deliveries – you will continue to receive separate deliveries for now.
- You will continue to receive separate invoices from Betta Milk, MVD and Bega Group.
