Cooler

COMPANY  
OVERVIEW

**1977** Brian Cummins,  
our founder celebrates his 21st birthday!

**1988** BCG is born The Cummins family car  
was unceremoniously evicted  
from the home garage in

**1990** We leased our first  
factory in Lancaster Street  
and expanded to building  
supermarket checkouts,  
kiosk equipment and  
other detailed joinery for  
the retail market to  
complement our facilities  
maintenance services

**1992** of fast food chain and  
supermarket clients

With increased  
customer demand,  
we increased our  
fleet of maintenance  
vehicles

**1996**  
Expansion Again

This time into metal  
fabrication to  
complement the  
shop fitting services

**1998**  
Bulging!

Expansion of premises to over  
1400 sq metres of workspace  
with separate cabinetry and  
metal fabrication operations  
in Ingleburn, NSW

**2005** Nation Building!  
Expansion of operations to  
supply retail equipment  
Australia-wide

**2006** Nominated  
For an innovation award at the 16th Trade Show  
for our product display solutions

Happy birthday to us  
**2009**

We celebrated 21 years in  
business with the release of  
display and retail shelving  
display equipment proudly designed and  
manufactured in Australia. We West  
Opened a 600 sq metre manufacturing facility  
in Perth, Western Australia

**2010**  
Going North

BCG opens office in Brisbane to  
support our Queensland retail clients

**2010**  
Growing Again

Addition of a further 2000 sq metres for  
a showroom and storage in Ingleburn.  
More investment in technology with the  
implementation of an ERP computer  
system to provide detailed management  
of all BCG operations

**2013**  
Show and Tell

400 sq metres showroom in Ingleburn  
opened in partnership with Wollersburn

**2014** –  
Another Gong! Going Global!

Received SPAR  
Equipment Supplier of  
the Year Award. And we  
completed 4200 jobs in  
14 months

Commenced international  
manufacturing of a  
premium range of retail  
equipment, increasing our  
capacity by 400%

**2008**

"...and the Winner Is...".  
Received Tasmanian  
Independent Retailer Best  
Equipment Display Award

**2015**  
Reducing our carbon footprint.

Implementation of waste, stock management, inventory and  
operating and maintenance management

**2017** We  
Got Laid.

TekTile Australia (our Interlocking Loose Lay  
Flooring System) was established following our  
appointment as exclusive Distributor for this  
Patented Flooring Product in Australia

**2018**  
Best in Show!

BCG wins best display at the  
2018 FoodWorks National  
Trade Show in Perth, we  
completed 5500 jobs in 12  
months and opened a  
Facilities Management Office  
in Kensington, NSW

**2019**  
– State of the  
Union!

Brian and Tracey Cummins  
proudly celebrate 40 years  
of marriage and the  
continued growth of their  
extended BCG family

**2021**  
Let the  
sunshine in!

BCG invests in Solar: we are  
proud of our commitment to  
sustainability, with a large investment  
in solar panels in of our  
manufacturing facility reducing 58  
Tons of CO2 every year. And we  
commissioned our new state  
of the art computerised  
manufacturing  
equipment

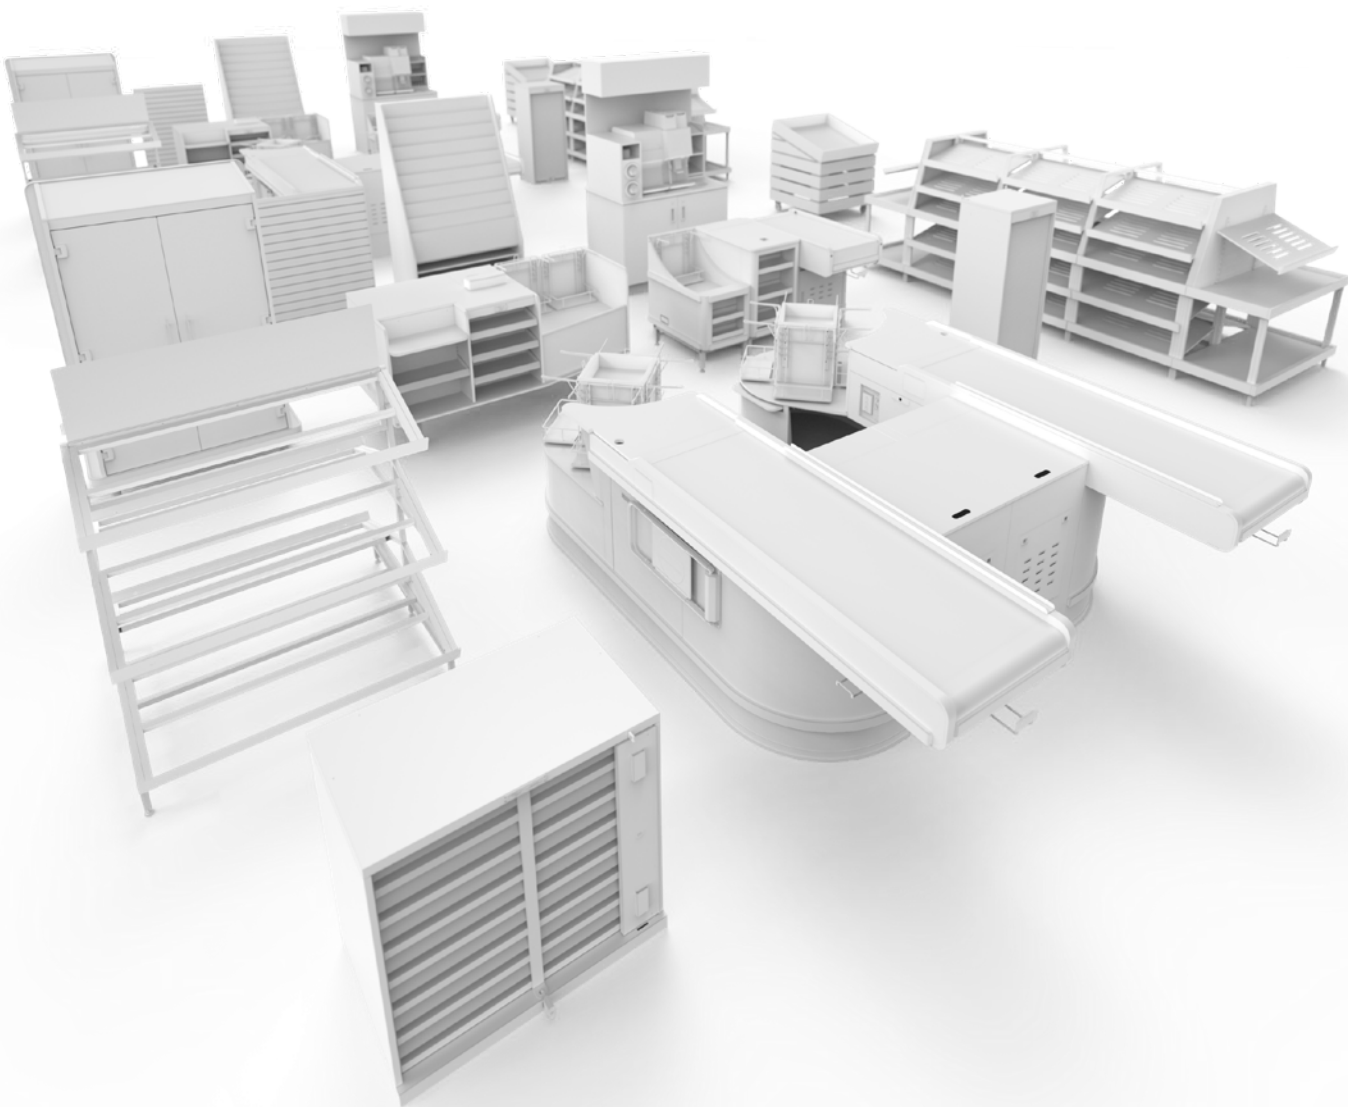

**2016**

Going South. Opened an  
office in Albert Park, Victoria

**2022**  
More Milestones.

We celebrated —  
33 years in business  
and established  
Cummins Design and  
Development Services  
(C2DS) and V-Tex Australia  
(Rapid Beverage Cooling System)  
following our appointment as  
exclusive Distributor in  
Australia & New Zealand
