

Black Beauty

Cast Iron Stove Polish

**RESTORES & PRESERVES THAT NEW,
BLACK SATIN FINISH TO OLD CAST IRON**

RESTORES & PROTECTS

Black Beauty Cast Iron Stove Polish not only prevents flaking, rusting and pitting, it can be used to restore the beauty of unpainted and old cast iron woodheaters and stoves. Formulated to protect that new, black satin finish, Black Beauty Cast Iron Stove Polish is a high quality black stove polish which forms a strong, hard-wearing bond to the metal. The non hazardous formula is quick and safe to use.

- ✓ Prevents flaking & rusting
- ✓ Strong hard wearing bond
- ✓ Heat resistant to 500°C
