

InvisiGarde®
YOUR GERM SHIELD

ANTI-BACTERIAL CLEANER & SURFACE SHIELD

Australian Eucalyptus Fragrance

7 Day Action Against Bacteria*

Kills 99.9999% of Germs^

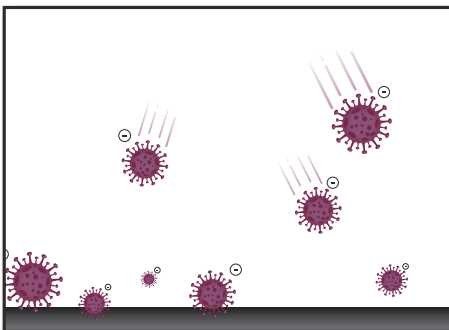

Daily Cleaner & Sanitiser

InvisiGarde® Anti-Bacterial Cleaner & Surface Shield uses Tri-Quat® technology to help maintain hygienic surfaces with a simple spray and wipe. Suitable for hard surfaces.

- ✓ Removes bacteria and creates a barrier, helping to reduce the spread of germs, mould and mildew.
- ✓ Ideal for use on all hard surfaces including benchtops, stainless steel, PVC plastics, aluminium, wood, linoleum, polished concrete, sealed stone and more.
- ✓ *Provides a broad spectrum anti-bacterial surface protection. Proven up to 7 days of residual action against; *S. aureus*, *E. coli*.
- ✓ ^Kills 99.9999% of the germs such as *S. aureus*, *S. choleraesuis*.
- ✓ Alcohol, Bleach and Chlorine Free. Non-Corrosive and Non-Flammable.

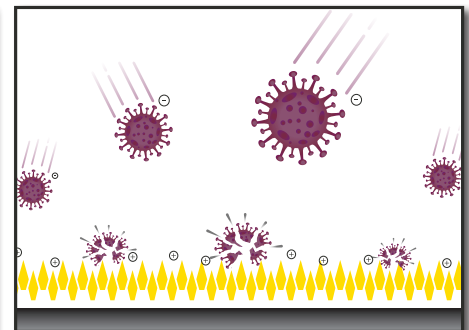

How it works

Germs and bacteria are negatively charged germs.

InvisiGarde® uses positively charged particles to breakdown membranes of germs, killing them on contact.

Binds to the surface creating 'Your Germ Shield' and continues to kill for up to 7 days, longer than traditional disinfectants.

InvisiGarde®
YOUR GERM SHIELD

FOAMING HAND SANITISER & SHIELD

Australian Lemon Myrtle Fragrance

24h 24 Hour Protection*

Kills 99.99% of Germs^

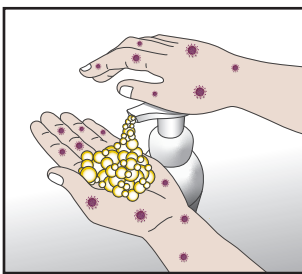

Alcohol-Free Formula

InvisiGarde® Foaming Hand Sanitiser is an effective alcohol-free way to shield against germs. *Providing up to 24 hours of residual action against bacteria.

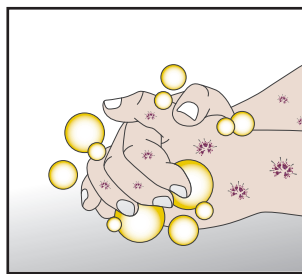

- ✓ Dermatologically tested. Gentle on skin. Contains Aloe Vera.
- ✓ Alcohol-Free and Non-Flammable.
- ✓ ^Tested by independent laboratories and according to EN1275, BS1276, EN1500, EN1040, EN14476 standards.

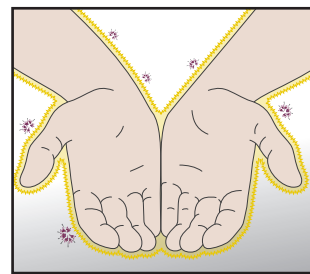

How it works

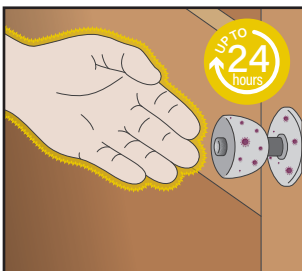

Apply foam liberally to hands like you would with other hand sanitisers.

Rub hands until dry. InvisiGarde® Hand Sanitiser will take longer to dry than alcohol based hand sanitisers.

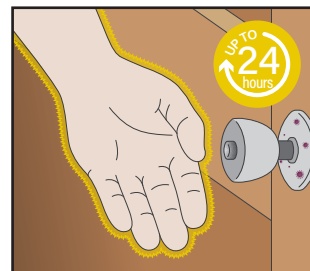

Your hands are now shielded from germs, protecting you for up to 24 hours.

InvisiGarde® helps protect you throughout your day.

Wherever you may be.

Helping to stop the transfer of germs by killing the ones you touch.
