

# PINK HIMALAYAN ROCK SALT

## Gourmet Quality

Straight from ancient salt deposits in the foothills of Pakistan. Himalayan rock salt is hailed as one of the purest in the world with its naturally pink hue containing beneficial trace minerals.

Available in 3 grain sizes for refillable grinders, cooking and general home dining & entertaining.

## 100% Pure and Natural

Unpolluted 'red grade' quality – every crystal is mined, sorted and milled by hand. Free from added chemicals, food additives and anti-caking agents commonly found in regular table salt.

## Value Packs

Sturdy resealable doy packs for maximum value and convenience. Locate in produce or herbs & spices for a gourmet salt offering.
