

BUSHFIRE APPEAL

At IGA we are passionate about supporting our local communities.

We are devastated by the current bushfire crisis and have activated an Emergency Response Plan that has already raised over \$280,000 to support those Australians affected.

Prior to Christmas, IGA and Foodland donated \$90,000 worth of Gift Cards to people who lost their homes in the fires in Adelaide.

We know when our IGA stores and their local communities come together, we can achieve great things. Thanks to your generous support over Christmas, to date we have raised \$836,000 for Australians impacted by the drought. Now we ask for your help again, in raising much-needed funds for those impacted by these terrible fires.
