

The 2020 Xmas toy range features a combination of generic & licensed toys, so you can select the range offer right for your shopper.

Generic Toys delivers and avg GP of 47% and the bulk of the range is \$10 or less.

Check out the Best Sellers highlighted with Best Seller icon. These lines deliver year on year growth together with our New Lines highlighted with the gold icon is a "must have" range.

Our new range of Summer inflatables features from page 99 onwards.

We've also this included a number of lines that align with our "Good for Me, Good for the Planet" trend using recyclable materials.

Licensed Toys

These branded & licensed toys deliver and avg GP of 31% and are focussed a key brands or entertainment/movie titles that are driving shopper demand.

Girls: Frozen 2, My Little Pony, Barbie,

Boys: Hot Wheels, Beyblades, Spiderman, Minions

Board Games are a key seller for the Christmas trading period and we have a comprehensive range of games from \$10 to \$40.
