

welcome to the world of **COCOSOUL**

COCOSOUL Organic Coconut Milk is an honest, authentic delicious super healthy, creamy coconut milk, with NO ADDED SUGAR to be enjoyed by the young and old alike.

COCOSOUL Organic Coconut Milk has the full bodied richness of coconut milk, the high benefit and goodness of lauric acid. Coconut Milk has MCT Oil so it does not have to be broken down and digested like normal milk.

COCOSOUL Organic coconut milk is lactose free, dairy free. No Added Sugar and without any preservatives, colours or flavours.

Try our Organic Coconut Milk hot or cold with your granola in the morning, it is Delicious!! Add some strawberries, blueberries and bananas to make it more Yummy!

Breakfast is Now exciting!!!

COCOSOUL Organic Coconut Milk is delightfully tasty, creamy and makes excellent lattes and cappuccinos, hot chocolates, yummy thick and creamy smoothies, no wonder the cafes and baristas are calling it the Wonder Milk as it froths and has the Delicious wholesome taste.

Drink it chilled! Delicious straight from the bottle, make your ice-creams, favourite bakes and pour/cook through in your favourite dishes.

Cocosoul Organic Coconut Milk for every Soul.
