For over 85 years, Holle has been creating certified organic and Demeter baby infant formulas and foods, making it one of the worlds most trusted brands.

Holle Infant Formulas are made exclusively from Demeter certified milk from cows grazed on biodynamic farms, so you can trust that your products are pure and natural.

Demeter agriculture is unique in its consistent and holistic approach, through its biodynamic growing methods, it gives back to nature more than it takes out.

Holle - providing the very best nutrition for your growing baby.

- Certified Organic
- Preservative Free
- Premium, Demeter Certified Milk
- Formula 1, 2 & 3 now with DHA & ARA
- Cows raised on Biodynamic Farms
