Dear Customer

SRT Logistics are continually striving to improve our service offering. Over recent summer seasons we have experienced significant growth in demand and volumes for the East Coast of Tasmania. In response to this we will be increasing services to the area.

Commencing Monday 8 April 2019 our current delivery schedule to the lower East Coast region (Buckland up to Bicheno) will change. The new delivery days will be:

Monday, Wednesday & Friday.

Buckland to Swansea will be serviced from SRT Hobart Depot.

Bicheno including Coles Bay will be serviced from SRT Launceston Depot.

These changes will provide an improved regular service and help meet the volume uplift during peak holiday times.

Please note special arrangement for Easter Week (15 – 21 April 2019), we will deliver Monday, Wednesday & Saturday.

Please do not hesitate to call me with any questions on 0408 486 913 or email mdavie@srtlogistics.com.au.

Kind Regards

Matthew Davie
