"From the moment I called Ecolab it all happened in a couple of weeks. I have the products, the dispensers and great service. Thank you Ecolab." **Yvonne, Owner IGA Yarralumla, ACT, IGA operations**

"The new Ecolab fit out has been a great success for the Hastings Co- Op IGA's with outstanding customer service and support to follow. The new products are easy to use and deliver amazing results. The exceptional support given to our Company through the stages of Covid-19 and the consistent supply of necessities such as hand soap and hand sanitiser has been truly amazing. The constant communication and follow ups has made our transition to Ecolab fabulous." **Paul Barrett, IGA Sovereign Hill...Hastings Co-Op. New South Wales**

"Ecolab is the best set up I have seen: easy to use and distributes the right amount needed so there is no waste. No chemical smells and overall great results. Especially since Covid-19 Ecolab is a must have for all Supermarkets to ensure we have the community and staff safe. THANKS A MILLION ECOLAB" **Marie, Bedford IGA Perth...oh and friendly staff and fast set up from them...**

"Brilliant system very easy to use, excellent yield and cost effective. Could not be happier with the implementation, exceptional service and support & our staff are absolutely thrilled ...we would recommend to any store." **Imran, Gulgong IGA NSW**
