- Paringa Pet Food
- Prime Pet Food
- Pasta Master
- Pitango Sauces
- Dorsogna

The more you buy the more you save!

Higher volumes through SIW means lower landed in store cost to you. The more you buy through SIW the lower your service fee. Increasing volumes enables us to better fractionalise our costs and ensure we can keep prices low so you can maximise your retail margins.

When does it start?

Part of the range is already available and you will be able to order all lines from the above suppliers from Monday November 4th.

The Statewide difference!

We offer unrivalled value and are committed to delivering you a business advantage through:

- An exceptional on time delivery service
- An unmatched product range ensuring a one stop shop service saving you time and management required to oversee multiple supplier relationships
- Highly supportive payment terms
- Significant stock reserves ensuring we have got you covered to minimise out of stocks
- Tasmania's premier warehouse which has been further enhanced through the addition of the new temperature controlled facility
