

Dear valued customer,

As you know a severe weather event this week impacted the operation of our Launceston Distribution Centre and we wanted to provide an update on product availability and service.

We anticipate there will be no impact to the delivery of fresh white milk and Milk based beverage products. However, as a result we will have limited availability of the products listed on the below, which will be available to order in Tasmania effective Monday 10th August, for your next scheduled delivery day.

Due to the weather incident and our current inability to hold additional stock in Launceston we are unfortunately unable to offer a same day delivery service to the Launceston & Devonport regions. Your normal scheduled delivery days will not be impacted. Please be extra diligent in placing orders prior to the 3pm order cut off for your next scheduled delivery day.

We apologise for any inconvenience this may cause you and thank you for your ongoing support.

If you have any questions, please call our Customer Sales & Service Team on 1300 561 166.
