## CUSTOMER UPDATE

### POWER OUTAGE

Good Afternoon,

Further to my earlier update, I am pleased to advise power has been restored at the BDC.

No loss of stock occurred during the outage.

The BDC team will be contacting customers whose deliveries have been impacted.

I appreciate your patience as the BDC and SRT Logistics teams endeavour to return operations to normal.

If you have any questions please call me on 0438 159 641.

*Regards*

David Lanham
