DC WAREHOUSE ORDERING UPDATE

Further to the update issued 5th March, panic purchasing related to the Covid-19 virus has continued. We are currently doing all we can to receive stock of toilet paper, rice, flour, etc into the ambient DC, however we cannot keep up with demand. This is being compounded by the industrial issues occurring at the TOLL wharf in Melbourne.

As per previous update, the ambient DC has limited capacity to process orders outside of your normal store ordering pattern.

Please find listed below the top 30 SKU's that are currently out of stock and then listed on the next page are the SKU's currently in stock:-
