Breadalbane DC (Frozen and Chilled Out of Stocks)

Good afternoon,

Due to delays experienced with Toll Shipping schedules over the past weekend, out of stocks will increase over the next 24 to 48 hours. As we have been unable to receive our purchase orders for key lines (eg yoghurts, milks and cheeses) you will see an increase in the non supply of these products. We expect to see an improvement in our supply to you by Wednesday and hopefully we should be back to normal by the end of the week.

We expect to maintain our normal operating delivery schedule over this period, but we would appreciate your patience as we return to our usual high service levels on frozen and chilled product.

Please refer to the "ALT/NON-Supply REPORT" at the end of your invoice.

Should this position worsen we will advise you as soon as possible, however hopefully this will not be necessary.

If you have any questions please contact me on 0438 159 641.
