IMPORTANT NOTICE

12th January 2016

CIGARETTE & TOBACCO QUOTA

The wholesale price of all Cigarette and Tobacco products is expected to rise on Tuesday 01/03/16.

Some Cigarette and Tobacco suppliers already have a quota system in place which restricts SIW's ability to purchase extra stock when price increases occur. SIW will also apply a quota system using the last 13 weeks purchases to calculate your weekly quota. The quota system will apply to orders over a 6 week period effective Monday 18/01/16.

Your weekly quota and the remaining balance for the week will be shown on the last page of your invoice.

If you order more than your weekly quota, your order will go into hold.

If this occurs and to ensure your normal order is despatched on time, your Cigarette and Tobacco quantity may be amended with any adjustments being reflected in the Out of Stock report with your invoice.

Please make sure you communicate to the appropriate people in your business to take the quota into account when ordering Cigarette and Tobacco products.

For any queries around the calculation of your quota please contact Liz Kelty on 6391 0861. For any other matters please contact me on 6391 0800.
