30 hours to knead, rest and rise for a soft texture.

Coles Finest by Laurent 30 hour recipe.

At Coles, we partnered with expert French baker Laurent Boillon to create delicious breads for our bakery. Like our Coles Finest 30 hour Stone Baked Sourdough which combines a decades-old recipe using Australian wheat flour. This traditional sourdough loaf has an open and chewy texture on the inside, with a golden outer crust.

That's going to great lengths for quality.

Why choose us?

Australia's largest mobile network
 We have Australia's largest 5G network and it's rapidly growing.

International calls
 Capped mins from Australia to standard international numbers.

Continuous Data Rollover
 Just recharge before expiry on selected recharges.

Set & forget with Auto Recharge
 Stay in control and set up Auto Recharge, so you don't have to worry about recharging before your services expire.

Telstra 5G now reaches 85% of Australians. THINGS YOU NEED TO KNOW. Telstra Pre-Paid Handsets: Manufactured by ZTE, TCL, Nokia & Motorola. In non-5G coverage areas, you'll automatically switch to our 3G or 4G. Check telstra.com/coverage. Speed capping: 4G and 5G download speeds are capped at 150Mbps on most plans. Your capped download speed is the maximum potential download speed for data included in your recharge. Factors impacting typical speed include location, distance from the base station, local conditions, concurrent users, hardware and software configuration and download/upload destination. An unlocking fee may apply for use with a non-Telstra SIM card. Limit 1 per customer and no trade sales. SIM included. The Android Robot is reproduced or modified from work created and shared by Google and used according to terms described in the Creative Commons 3.0 Attribution License. Unlimited calls/texts exclude satellite and premium numbers (e.g. 19xx numbers), operator assisted calls (e.g. most 12xx numbers) and diverted calls.
