ΔSpeed capping: 4G download speeds will be capped at 150Mbps on most plans. Your speed cap is the maximum potential download speed for data included in your recharge. Typical speeds will be lower and speeds may vary due to various factors like your location, device and network congestion. An unlocking fee may apply for use with a non-Telstra SIM card. Limit 1 per customer and no trade sales. SIM included. The Android Robot is reproduced or modified from work created and shared by Google and used according to terms described in the Creative Commons 3.0 Attribution License. Unlimited calls/texts exclude satellite and premium numbers (e.g. 19xx numbers), operator assisted calls (e.g. most 12xx numbers) and diverted calls. Blue Tick lets you know which phones are recommended for handheld coverage in rural areas. ‡Optus \$45 SIM offer ends 17/9/24. Samsung Galaxy A05s offer ends 1/10/24. Activate within 30 days of purchase or by the date advertised on a promotion, whichever is earlier. Free \$35 Prepaid SIM: Included \$35 SIM for activation on available \$35 plans only. New services only.
